Headteacher: Mr Iain Horner

8th November 2018

To the parent(s) of

Please find attached information an entry form for a Bicester Athletic Club cross country fun run at Bicester Sports Association, Chesterton on Sunday 9th December. The event is held in memory of Andy Reading, a keen runner and member of B.A.C., who, as many of you will know, was also Headteacher of our school from 1979-1991. All funds raised go to The Hummingbird Cancer Support & Therapy Centre. The School Association will be running a refreshment stall at the event to raise funds and the school also receives a donation from the athletics club every year to say thank you for the support of the school (and the village as a whole). It really is a good community occasion.

I can certainly recommend the event to you - a number of Chesterton children have attended in recent years and it is always a good opportunity for the children to take part in an enjoyable event on their doorstep. We also have the added incentive of trying to retain the schools' title that we won last year. The distance is comparable to the recent event at Bicester School and it would be great to see a large contingent of our children participating, especially given how well they have been doing with their running recently. Although there will be some strong athletes taking part, the Chesterton pupils were not out of their depth and they really enjoyed competing. There will be fewer competitors than at the recent Bicester School event, so it will be slightly less congested too!

If you are interested in entering your child in the event, please complete the form and return – with payment – to me, via the school office. I will then forward the entries to the organiser. Entry is entirely at your discretion and I will not be able to transport or supervise the children on the day. However, Mrs Rotherham and I hope to be there to support the children.

If you have any questions, please pop into the office to see me.

Yours, Mr Horner
