MATHS CURRICULUM EVENING FOR PARENTS

Dear Parents and Carers,

Many parents express a desire to help their child with their Maths at home, but are uncertain about how to help and/or are unfamiliar with how concepts are unfolded at school.

You are warmly invited to join us on the evening of **Thursday 1st May** to explore how Maths is taught at our school. During the session, you will be introduced to our approach and have the opportunity to visit your child/ren's classrooms to have a go at some of maths activities yourselves. If you've ever thought 'Why does my child do it like that?!', then this is the evening for you!

The meeting will take place from 6pm to 7pm in the school hall. **Please return the reply slip from this letter to help us arrange seating and resources.** Please note that this is a meeting for parents; we regret that we cannot accommodate or provide supervision for pupils at this meeting.

Yours sincerely,

Miss Crockett
(Mathematics Co-ordinator)

Mr Horner
(Headteacher)

.....
Please complete the reply slip and return to school office.
