22<sup>nd</sup> May 2025

Dear Children, Parents and Carers,

As part of our role in Eco Council, we aim to encourage you to enjoy and appreciate all that the natural world has to offer.

With Arts Week approaching, we have been inspired by the work of Andy Goldsworthy and would love to see you create a piece of art using natural materials. You could use sticks, stones, feathers, leaves and flowers (preferably wild flowers rather than ones that have been planted by mum or dad!) to create your piece of art. Then, take a clear photo of your creation and email it to the school office at office.3082@chesterton.oxon.sch.uk.

## A few pieces of Andy Goldsworthy's art to inspire you!

We aim to display as many entries as possible on our Eco Council board and the best entry from each class will receive a prize. **Entries must be submitted by Wednesday 4**<sup>th</sup> **June**, as we will be selecting the winning pieces during our meeting the following day. The winners will be announced during our Arts Week Collective Worship.

We are very excited to see how creative you can get with natural materials!

Yours faithfully, Mrs Leonard and The Eco Council
