

**Oak Class**  
**Years 5 and 6**  
**Summer Term 2021**

**Computing:**

We will finally be able to use the microbits to extend our understanding of programming!

**English:**

In Term 5, we will be recapping our understanding of SPaG. We will then move on to exploring how dialogue can be used within stories to move plots forward. We will be using a clip from Harry Potter and the Philosopher's Stone as our stimulus. In Term 6, we will continue to explore how speech can be used in narrative, for example to develop characterisation. We will also be identifying the features within play scripts.

**Religious**

**Education:**

This term, we will be exploring the question: 'Did Jesus really perform miracles?'

# STEM

## What? How? Why?

**Science:**

We will start the Summer Term with Science Week! Last term, we planned investigations based on the theme 'air'. We will now carry them out and use the results to try and answer our questions.

**Physical Education:**

In P.E. this term, we will be preparing for May Day! Our dances this year are the Roundabout and the Shuttlecock. We will then be practising for Sports Day.

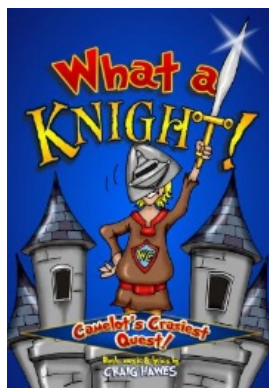

With Jack, we will be learning about cricket and athletics.

**PSHCE:**

In PSHCE, our unit this term is 'Rights and Responsibilities'. Within this, we will be learning about how to keep ourselves safe. Next term, we will be focusing on transition to Year 6 or secondary school.

**Mathematics:**

In Mathematics, we will start our Geometry unit, where we will explore 2D and 3D shapes and find unknown angles. Following this, we will solve problems relating to measure, including finding perimeters and areas of different shapes. In the final term, we will learn how to carefully read data from line graphs and pie charts.

**In Term 6:**

The final term is always very busy in Oak Class! We will start the term by immersing ourselves in Art Week. We will then start our play rehearsals for: What a Knight!

In the final few weeks, the Year 6s will start to prepare for their Leavers' Worship and Service, whilst the Year 5s will learn about the Ancient Egyptians!
