

## Year 2 Enriching Learning 2020 Spring Term 1

The following links will help you to work on some of the key learning for Maths and English this term. **With your parents' help, you can choose which areas you most need to practise and when and how long you spend on them.** If you are very confident, you should try the diving activities. If you need to develop your confidence, try the swimming activities. If you think you need to develop skills, have a go at the paddling activities.

### Maths Focus: Fractions

#### Paddling

<https://www.bbc.com/bitesize/articles/zq2yfrd>

#### Swimming

<http://resources.hwb.wales.gov.uk/VTC/ngfl/ngfl-flash/fractions/fractions.html>

#### Diving

<http://www.scootle.edu.au/ec/viewing/L2801/L2801/index.html#>

### English Focus: Apostrophes

#### Paddling

[https://resources.hwb.wales.gov.uk/VTC/apostrophes\\_contract/eng/Introduction/activity.htm](https://resources.hwb.wales.gov.uk/VTC/apostrophes_contract/eng/Introduction/activity.htm)

#### Swimming

#### Diving

<http://www.galacticphonics.com/apostrophes/interactive/possessiveps.htm>

**Reading Reminder:** This term, we would like you to try and read for 5-10 minutes every day. You can read by yourself, or you can read with an adult. Ask them to record your reading in your reading diary. Remember that reading two books on the same day still counts as one night's reading! 😊

The following links will help you to develop your understanding of our topic this term and with topic homework activities.

### Topic Focus: The Stone Age

<https://kidzfeed.com/stone-age-facts-for-kids/>

<https://www.dkfindout.com/uk/history/stone-age/>

<https://www.bbc.co.uk/bitesize/topics/z82hsbk>

<https://www.natgeokids.com/uk/discover/history/general-history/stonehenge-facts/>

Each week, you need to choose one of these activities to complete and hand in on Wednesday in your homework book. Make sure that you choose a range of activities (some from each box) during the term.

### English Activities:

- Write a recount of one of your days from the Christmas holiday. Remember to write in chronological order.
- Imagine you are a girl or boy living in the Stone Age. Can you write a diary entry about a day in your life?
- Create a wordsearch for your weekly spellings. Can a friend or family member complete it?
- Research websites about the Stone Age and find some interesting facts- you could use these facts to write a report.

### Maths Activities:

- Using a pack of cards, split the deck so you and a friend have half a pack each. Each player turns over a card at the same time. The first player to work out the multiplication answer wins that round.
- Create a poster to investigate either the 2 and 4 x tables or the 5 and 10 x tables. Can you spot any patterns or similarities between them?
- When finding fractions, we often think about sharing. Grab a small bag of sweets and have a go at sharing them with a friend, a sibling, your mum or dad or even a teddy. Can you find  $\frac{1}{2}$   $\frac{1}{4}$  or you could even challenge yourself to find  $\frac{3}{4}$ ?
- Don't forget to log onto Mathletics to try the Maths games!

### Topic Activities:

- Research a Stone Age recipe. If you choose to have a go at making something, take some pictures to put in your homework book.
- Find out about some of the tools used in the Stone Age.
- Compare the houses from the Stone Age to modern day houses. What is the same and what is different?
- Research Stone Age clothes and design your own outfit. We would love to see your pictures!
- Take a trip to a local pre-historic site such as Rollright Stones.

**Personalised homework:** Personalised homework is all about what you want to show us. Think about our topic (The Stone Age) and the events that are coming up. Then, create something to bring in and show, such as: a model or piece of creative art. Next term, we would like to show your creations in our museum. Think about creating your own Stone Age house or outfit. You can use any materials. Have fun! ☺
