Chesterton CE Primary School is looking to recruit an excellent teacher to join our thriving school to work alongside a colleague on a part time basis in our KS1 class.

If you are a talented, positive and committed teacher, with a passion for enabling children to make progress in all areas of an engaging curriculum, then we would love to hear from you. We are a thriving village school located close to Bicester with just over 200 pupils on roll.

Chesterton CE Primary School can offer you engaged, well-behaved children; high levels of parental engagement; welcoming colleagues, including a highly-skilled team of Teaching Assistants, and a supportive leadership team, all of which contribute to a fantastic environment in which to teach and learn.

Our school website demonstrates the wider life at the school, with photos, videos and explanations of exciting events and learning opportunities throughout this academic year. *

We are proud of how Chesterton provides a rich and vibrant learning experience for children and a range of activities outside the classroom.

Whilst we pride ourselves on high levels of achievement in the classroom, there is much more to our village school and we strongly believe in providing the widest range of opportunities for pupils and staff alike.

"This (the school vision) is characterised by the care and trust between children and adults. Adults recognised the school's vision as the cornerstone of children's spiritual, emotional and academic growth. Therefore, they model relationships that are underpinned by the school's values and this makes a positive contribution to the pupils' personal development."
