

# PROFESSOR COGZOG'S TIME MACHINE

# PROFESSOR COGZOG'S LABORATORY – THE RIDES

Crazy inventions - Walk through  
The time machine – An illusion ride  
A lifetime for a crazy scientist – 4D cinema

# PROFESSOR COGZOG'S LABORATORY – PLACES TO EAT

Character buffet  
Mr. Robot's Scoops

# PECULIAR PAST – THE RIDES

Dinosaur Hunt - Driving School

Viking quest - Boat Swing

Tudor corn field of doom - Corn Maze

WW2 Planes – Flying ride

The wild, wild west - Rollercoaster

Adventure playground

# Adventure Playground

Inside the corn maze lays the adventure playground. This playground is just like any other ordinary playground with slides, zip wires and climbing frames, except for its history theme.

# PECULIAR PAST – PLACES TO EAT

The pyramid pub

# PRESENT AROUND THE WORLD - THE RIDES

Pet Mania – a virtual rollercoaster

The Rapid World – a river rapid ride

Elephant Parade - swings

Monsterella – 4D experience

Sit and Watch – A place for shows

Awbie's Heaven – pick your own strawberries

# The Rapid World

Jump into a boat and travel around the world discovering wonders you might have never seen before. But remember it's a rapid world!

# Elephant Parade

This India themed ride has attracted riders all ages. Each swing is made to look like an Indian elephant. The elephants start by stomping around, then the most peculiar thing happens... They start flying!

# **PRESENT AROUND THE WORLD – PLACES TO EAT**

**World Buffet – all you can eat restaurant**

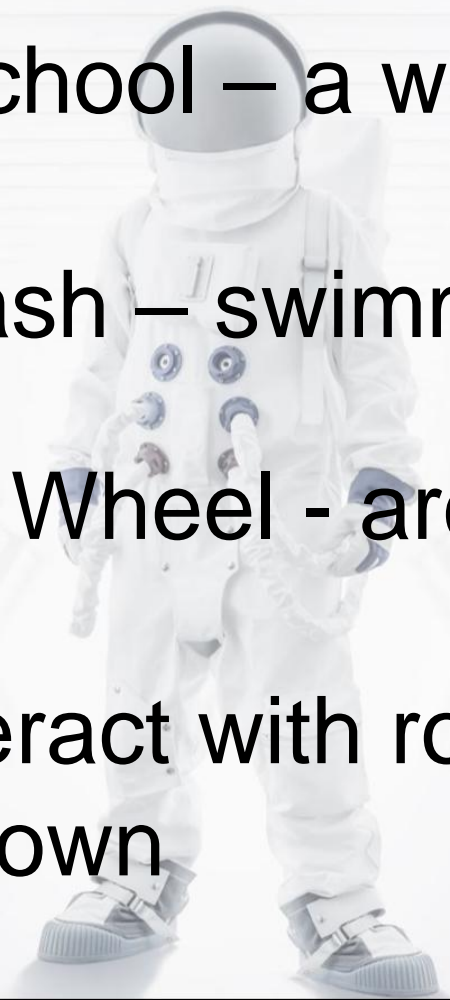

# FUTURE TOWN – THE RIDES

Future Town School – a walk through

Splish and Splash – swimming centre

Lucky Wheel - arcades

Mini Robots – interact with robots throughout the whole of Future Town

# **FUTURE TOWN – THE SHOPS**

Faye & Alaina's – clothes shop

Camels' World – toy shop

Professor Cogzog's gift shop

Market Place – lots of stalls packed with all sorts of wonders

# FUTURE TOWN – PLACES TO EAT

A Teddy Called Crumble – This pub is famous for its mini strawberry crumbles and its teddy robot waiters

# A Teddy Called Crumble

Mini Strawberry Crumbles

A close-up, blue-tinted photograph of a mechanical watch movement. The image shows various gears, screws, and metal components. The text is overlaid on the image in white.
