

# Welcome to Atlantis

By Emily

# Explore the beautiful city

You might want to bring a water proof camera :). This is not something you would want to miss.

# Hotels.

Are you the kind of type who loves luxury if so the ocean hotel is the right place for you . Or are you the kind of type who wants to know what life in Atlantis is like then the market houses are just for you. Or have you come to relax if so the Atlantis spa is just what you need.

# Food options

You might like to try some of our famous food such as prawn dippers, seaweed soup, squid sandwiches or cod pizza.

# Main attractions.

Is it your dream to swim with dolphins if so head on down to dolphinia and swim with some wonderful dolphins. Or how about a day in the spa with your friends. Not for you? How about a swim through some gorgeous crystal caves.

# Transport

There are two main ways of transport 1 swimming through a bright tunnel system 2 get the subbus for only a pound.

Hope you come
