

APPLE WEEKLY

Week 1 – Monday 23rd March to Friday 27th March

Miss Barrett's update:

Howdy Apple Class... I know this week has been out of the norm and we can all find change difficult, but I want to express how you have made me very proud. All of the messages that I have received from you and your parents tell me how dedicated and hard-working you all have been. This mini newsletter will celebrate some of those things. If you'd like to try to get yourself in next week's newsletter, remember to get in contact with me at:

nbarrett@chesterton.oxon.sch.uk

Speed Tables Success!

Well done to Alex, who has completed the Platinum level.

Also, Manasvi achieved an amazing 132/144 on her Platinum multiplication.

Miss Norman and I are very proud of you!

New Pupil Arrives!

All of Apple Class would like to welcome Sophie to our school. Anabelle has already written a letter welcoming Sophie to our class. If anyone else wants to send a message, letter or photo to Sophie, feel free to email me and I will pass it on.

Certificate Winners!

Well done to Izzy and Daisy for gaining Well Done Certificates this week. Check out the video of Mr Horner on the website.

Riddle!

What month of the year has 28 days?

Reading Raffle Update!

Remember to share when you reach a milestone with Mrs Salter. If you copy me into the email too, I will add you to the newsletter! Well done to James for winning the raffle this week.

On the menu tonight...

So many of you have been cooking and baking. Emily has baked a cake, James has created muffins and Noah has learnt how to make tea. What recipe could you follow?

Mindfulness!

Many of you have remembered to make time for mindfulness. From Willow adding mint, strawberries and butterfly friendly seeds to her garden, to Lucy practising some yoga.

Manasvi created a piece of camouflage art. Can you spot the animals hidden in her art?

Alex has been keeping fit during his P.E. lessons.

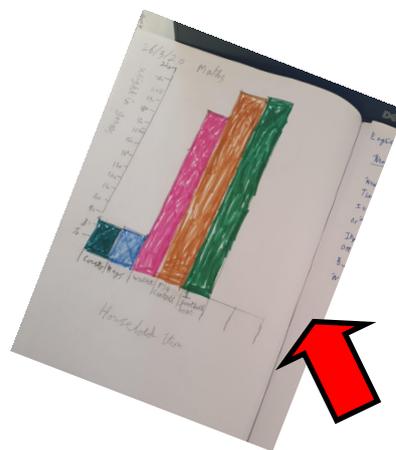

Daisy created an amazing video on Coronavirus. Check it out on the website. For extra points, tell me what historical figure her t-shirt represents.

What else have Apple Class been up to?

Finlay has been having fun measuring everything in his house for Maths.

James has been mastering his Maths skills using the fun games online.

Izzy and her brother have been joining in with Joe Wicks and his daily P.E. lessons.

Noah has been super busy completing the work set this week. His graph is pretty impressive.

Rosie has been busy making a super cool model.
