

# APPLE WEEKLY

Week 2 — Monday 30th March to Friday 3rd April

## Miss Barrett's update:

Ahoy Apple Class...What a week you have had! Getting active, conducting experiments, cooking and all that marvellous Maths. You have yet again made me feel very proud to be the class teacher of such a creative and talented bunch of pupils. For myself, I have kept myself busy making class story videos, reading your Pig Heart Boy diaries and, of course, dressing up the dog. If you'd like to try to get yourself in next week's newsletter, remember to get in contact with me at:

## Speed Tables Success!

So many of you have been working hard on this and include: Joely getting full marks on the silver level, Emily and Noah getting 144/144 on the platinum level and Amelia getting full marks on the platinum division.

## Riddle!

The answer to last week's riddle was... all the months have at least 28 days.

What word contains 26 letters, but has only 3 syllables?

## On the menu is...

You have been cooking up a storm. Ruby alone has made flapjacks, biscuits, bread and brunch for her mum. Joely, Olivia and Harriet have been baking cakes. James has cooked cookies and burgers, while Noah and Josh have become pizza masters.

## Learning Powers

There have been learning powers galore this week.

Both Finlay and Rosie achieved their Bronze level certificate. Anabelle, Daisy, Josh, Oscar, Alex, James, Noah, Oliver, Manasvi and Emily received an 'improve things' for their wonderful diary entries. Others to earn powers include: Izzy, Lucy, Ruby, Olivia, Willow and Amelia.

## Certificate Winners!

Well done to Willow and Emily for gaining Gold Certificates this week. Check out the video of Mr Horner on the website.

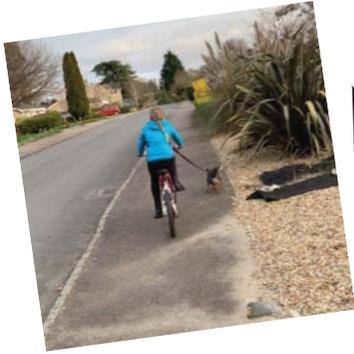

## Reading Raffle Update!

Well done to Emily for reaching 75, Alex for getting 125, Noah for hitting 175 and Finlay for achieving 200 nights. Remember to share when you reach a milestone.

## ttrockstars

This week, you will all have been emailed with an account to ttrockstars. This is a website where you can compete against each other in times table games. Why not challenge Mr Horner?

Amelia has been busy joining Joe Wicks' P.E. sessions and walking her dog.

Izzy has been up to some D&T with her brother.

Olivia has been conducting Science experiments with water and pepper.

Anabelle has been working hard with the assistance of her cat.

## What else have Apple Class been up to?

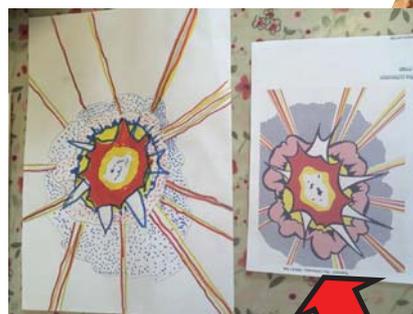

Willow has been super creative with yoga, art and nature spotting.

Emily has been challenging herself all week. She has finished her Pig Heart writing and created a Science Video and Coronavirus power point. Check it out on the website.

Josh has been busy making bug houses for his garden.

Finlay has been creating art inspired by Lichtenstein.

Think about how you could help others. Izzy celebrated a neighbour's birthday (safely) and helped her parents get the church ready for Easter. What could you do to help someone?

Rosie has been creating magical underwater creatures.
