

APPLE WEEKLY

Week 6 – Monday 11th to Friday 15th May

Miss Barrett's update:

Bonjour and Guten Tag Apple Class. I know that lots of us, myself included, have really enjoyed our new 'Tudor' theme and with another week to come, it will be exciting to see what else you will produce. I am so very proud of each and everyone of you because of your commitment to learning and your positive attitude during this tricky time. Keep sending me your fun, interesting and exciting emails, photos and videos. You never know. You might end up in next week's newsletter.

Speed Tables Success!

Congratulations to **Willow** and **Finlay x3** this week as they gained full marks on the gold level. Also, I own an apology as I missed two certificates last week. Well done to **Wyatt** for achieving his Gold level and to **Ruby** for gaining her Platinum level.

There have been so many learning powers gained this week. So many of you have earned your 'Challenge Yourself' power and this includes: **Finlay, Grace, Josh** and **Willow**. Well done to **Bruna** and **Sophia** for gaining the 'Improve Things' power. Finally, congratulations to **Anabelle** and **Manasvi** for gaining the 'Be Curious' power.
