

Cooking with Luca and Mummy

- I like baking with my Mum!
- We had a lot of fun baking over the weeks!

Chocolate Chip Buns

- I liked making my chocolate chip buns
- They were very nice to eat
- I enjoyed getting the last bits of the mixture out of the bowl
- I did this recipe completely independently as I know the recipe off by heart!

Pancakes

- We had pancakes last week for breakfast
- With Lemon and Sugar

Oatmeal Coconut Cookies

- These were really tasty
- They turned out soooo good!
- We are enjoying baking things for snacks as we can't go to the shops due to quarantine!

Scones

- We made love heart and flower shaped scones
- They were lemon and raisin flavoured

Shortbread

- Luca made this independently as he also knows this recipe off by heart!
- From Luca:
 - 175g flour
 - 75g sugar
 - 100g butter

Honeycomb

- We made it with 3 ingredients
 - Golden Syrup
 - Sugar
 - Bicarbonate of Soda
- We mixed the sugar and Syrup together in a hot pan
- When it was bubbling and brown we added the bicarbonate of soda
- It bubbled and frothed up and almost exploded out of the pan!!!!
- It was very funny

Chopping mushrooms

- We all helped make Spaghetti Bolognaise
