

BEECH NEWS!

Week 1 — Monday 23rd March to Friday 27th March

Miss Phillips' update:

Well done for completing Week One of Home Learning everyone! It has been a very unusual week for sure! It has been extremely different for me as well; our classroom is not the same without you all. It is far too quiet! I have loved seeing all of your updates and messages. You are continuing to make me incredibly proud and I know your grown-ups feel the same way! It will take some time to adjust to this new way of learning, but we will hopefully all be back together soon! In the meantime, continue to try your best and do not give up! This newsletter will celebrate some of the wonderful achievements that you have made during the week. If you'd like to try and get yourself in next week's newsletter, remember to get in contact with me at: zphillips@chesterton.oxon.sch.uk. Keep safe and smiling!

Mathletics Success!

Well done to Edward and Maisie for working so hard on Mathletics this week! Your efforts have paid off! Edward achieved 7327 points and Maisie gained 1084, leading to her Gold Mathletics certificate!

Well done both of you!

Brilliant Bakers!

Lots of you have been testing your baking skills last week. It was lovely to see Charlie making flapjacks and Esme baking muffins. They looked delicious!

Enjoying the sun-shine...

I have received lots of pictures this week of you all making the most of the beautiful weather! It was lovely to see Beatrice writing her story in her garden, Alexander helping with the gardening and Ivo making volcanoes!

Certificate Winners!

Mr Horner has filmed our celebration worship video. The winners for last week were... Emilia and Freddie N! That's points for Jersey and Squire!

Remember to share when you reach a milestone with me and Mrs Salter! Well done to Connie for reaching 150 nights!
