

Maple WEEKLY

Week 4 — Monday 27th April to Friday 1st May 2020

Mrs Leonard's update:

Hello Maple Class! Can you believe that it's the end of April already? It seems to have gone past very quickly and now we are in May! If you have a birthday this month, I would love to know and I can give you a special mention in the newsletter. I hope that you enjoy the VE Day topic and I will get back to choosing topics from your wonderful suggestions very soon. I am also SO excited to start sharing some Zoom calls with you next Thursday and Friday. Thank you to everyone that has arranged a meeting already. I still have some spaces available, so email me asap if you want to book a time to chat. I am so proud of you all for the effort that you and your families are putting into home learning. You are doing a fantastic job! Email me at: ileonard@chesterton.oxon.sch.uk.

Reading Awards!

Well done to these children for doing lots of reading and achieving their next awards:

Edie, Aisha, Sienna and Jude - 200 days

Sophie B —175 days

Cariad - 150 days

Bethany R—100 days

Feeling Artly!

Sebastian has been getting creative this week and turning cardboard tubes into monsters! I don't think they are scary monsters though— maybe just silly monsters instead! Have you got any cardboard tubes around the house? What could you turn them into?

Certificate Winners!

Congratulations to Caden Hawes and Cariad Evans for earning a Well Done certificate this week! I wonder who will earn themselves a certificate next week?

Staying Active!

Here is Edie working hard on her skipping. How many of you have been learning how to skip?

Joke Time!

Q. Why did the teacher wear sunglasses?
A. Because her class were so bright!

On the menu tonight...

Or should I say "on the menu this morning"! Sophie B has been very busy making her own breakfast each morning. Here she is, carefully pouring the milk onto her cereal. Well done Sophie. No spills!

Family Fondness!

Georgina and her brother James worked together to build this great den out of branches in their garden. What a fun spot to play!

Woah! Look at Edie jumping into this ENORMOUS puddle! I bet that it made quite a splash. Have you been doing any puddle jumping during this very rainy week?

Caden is a robot! He worked really hard making this costume out of cardboard boxes. I think it looks great!

Sophie and her sister have been looking after some caterpillars and after five weeks, it was time to release the butterflies.

Georgina made this lovely model of Elmer the elephant after reading one of her books all about him and his friends.

What else have Maple been up to?

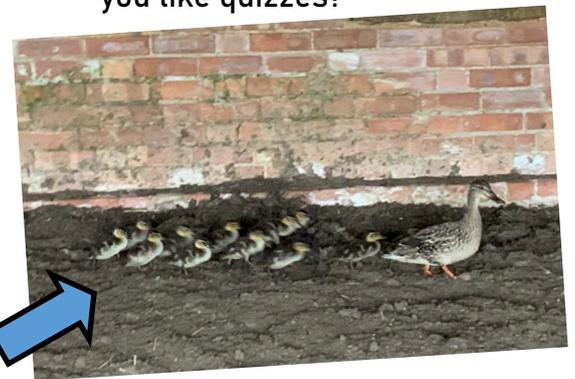

I think Sophie is amazed by the butterflies. They have so many lovely colours on their wings.

It has been fantastic seeing all of the work you have done this week for the 'people who help us' topic. Here is Aisha, who would like to be a vet, and Eva who has written some lovely words all about nurses.

Sienna has been hosting a quiz game with her dad. They even play quiz show music. It sounds like so much fun! Do you like quizzes?

Here are some very cute ducklings from Georgina's farm. They are only 10 days old! Can you count how many there are?
