

# Maple WEEKLY

Week 7 —Monday 18th May to Friday 22nd May 2020

**Mrs Leonard's update:** Hello Maple Class! Firstly, I hope that you have all had a lovely week and made the most of the glorious sunshine. It was a lot of fun seeing so many of you on the house group Zoom calls this week. Thank you for sharing some of the things that you have been working on and enjoying this week.

It has been a very strange term hasn't it? I just want you to know that I think you have all done amazingly well and I am very, very proud of every single one of you! I hope that you have a fun half term and I might see some of you back in school in June. For those of you that will be continuing with home learning, keep trying your best and I am sure that we will see you soon. Look after yourselves and those around you.

Love from Mrs Leonard x

## Reading Awards!

Well done everyone for keeping on track with your reading. I know that so many of you have earned awards whilst school has been closed—that is fantastic! Whilst I won't be able to read with you as normal in school, I will make sure that you get your stickers to put in your reading diaries soon.

## Joke Time!

**Q.** What do you call a cow that eats your grass?

**A.** A lawn moo-er.

## Bingo Winners!

Thank you to everyone that took part in the Zoom Bingo game on Wednesday. I had a lot of fun and I hope that you did too. The winners from each house were: Penrose—Edie, Jersey—joint first place for Evalyn and Jude, Squire—Bethany R and Buckle—Cariad.

## Feeling Artly!

You have been getting very creative with your posies of flowers this week! They all look beautiful. Here are Bethany H and Eva with some beautiful flowers that they have picked.

## Certificate Winners!

Congratulations to Jude and Sienna for earning a gold certificate this week! It was so hard to only choose two of you. I think everyone deserves to move their name up on the traffic lights!

## Staying Active!

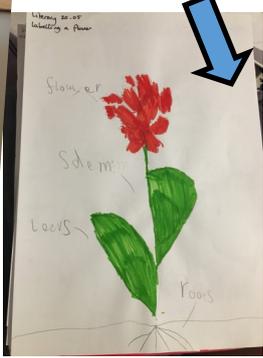

May Day dancing! I have seen so many videos of your excellent dancing this week. Have a look on the school website to see them all. Dancing is a great way to stay active and keep healthy. It's also lots of fun! What is your favourite song to dance to?

## Family Fondness!

Talking of May Day dancing, there have been lots of older brothers and sisters teaching you the moves to the Pat-a-cake Polka dance! I would like to say a big thank you to Noah, Emin and Connie. They are brilliant dance teachers!

There have been some fantastic plant diagrams and labels drawn this week. Here are Eva and Maya with their carefully drawn and painted plants.

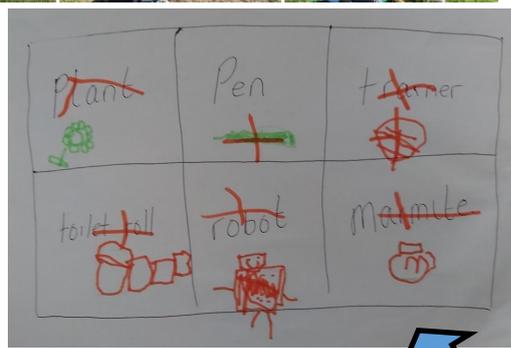

Millie has been going on lots of walks whilst school has been closed. Here she is in the same spot at different times over the past two months. Look how the farmer's field has changed. I wonder what is growing?

Georgina shared her flower press in Jersey's Zoom call this week. Here is a flower that she made using real petals and leaves. Isn't it lovely?

What else have Maple been up to?

Here is Oliver's Bingo card from our Zoom game on Wednesday. I think he made some great choices. Did you have any of the same objects on your card?

Measuring! Lots of you have been out and about measuring the height of different things around your houses and gardens. Here are Aisha, Edie Bethany R and Cariad using blocks and tape measures. I wonder which of these was the tallest?
