Family Fondness!

Amelie spent this week writing a story for her cousin, Jacob. She made him the prince and helped him to save his dragon. What a wonderful thing to do for your cousin, Amelie! You can read a section of it below.

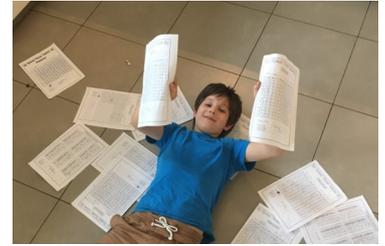

Amelie's Super Story:

Walking through the jungle was horrid! Prince Jacob was soggy, tired and only had a little bit of hope left in him. Just as he was about to fall to the ground, he heard a familiar roar, a roar that sounded like, no it can't be? Enzo!

Prince Jacob started running, sprinting through the jungle, running faster than he had ever ran before and he stopped at a very small cave. Prince Jacob reached for his lamp and lit it by the fire outside, *Hmm strange, people must be in here otherwise why would there be a fire here?... He thought.*

Alex and Isla's Wild West movie script

Billy the Kid was robbing a bank when all of a sudden Jesse James walked in and said:

JJ - "What are you doing here Billy?"

BK - "I was gonna ask you the same question Jesse!"

JJ - "I'm here to rob this bank today kiddo. Now scam before I give you a lesson in shooting."

BK- "I'd like to see you try Jesse. Your insults won't do you any good. I'm the fastest gunslinger in the West. I'll drop you before you get a chance to pull the trigger!"

UPDATES

Year 6 Update!

Hoodie orders are now being taken. Please continue to send in Leavers' photos too.

Zoom-calling!

Next Tuesday, at 1:10pm, I will be hosting Oak Class' first Zoom call! The focus of this time is to catch up and talk about some of the things that you have been up to. Zoom conferencing is not something that I am an expert at (and there will likely be some teething problems!), but I am looking forward to seeing some familiar faces again.

To take part, you will need to download Zoom onto a computer or phone and create a free account. You can do this here: <https://zoom.us/> At 1:10pm on Tuesday, you can then access the meeting using the details that have been emailed to your parents. The call will last for around half an hour.

Before taking part, we would like you to read through the **Acceptable Use Agreement**, which is also on the email. I look forward to seeing as many of you as possible then.

Oak Class Poem!

With the 75th anniversary of V.E. Day being celebrated on Friday 8th May, I wanted to include some war-themed activities on our timetable. Our English lessons this week are therefore based on a very powerful video called: Beyond The Lines. This video really struck Miss Barrett and I and we hope that you enjoy exploring it as much as we did.

By Thursday's lesson, **we would like you to write one line of a war poem**. My aim is to put the lines together to **create a class poem**. It would be fantastic if as many of you as possible could be a part of our poem - a special way to bring us all together whilst we are apart. You can email me your lines. Alternatively, you can film yourself saying them so that I can make a video.

If you would like to be a part of this special activity, then I look forward to seeing what you come up with. **Please email me your lines by 3pm on Friday 8th May**. More information can be found on the timetable.

Chesterton Gets Physical!

We would like to create our own version of the fantastic Strictly Come Dancing routine that was shown on the Big Night In fundraising show. We know that lots of you have got the moves, as we've seen them in Dance Club, at school discos and as part of some of your Home Learning photos and videos!

If we have enough contributions from all of you, we would love to put together a full routine of our own.

Here's what we'd like you to do.

1. Watch the original routine. This will give you an idea of what it might look like.
2. Watch at least one of the tutorial videos and practise that section of the routine until you know it. You can dance on your own, with a sibling, a parent or the whole family!
3. Film yourself dancing to that section of the routine. **Please film in portrait as this will help with editing**. You can have the music or tutorial video on behind the camera to help with the rhythm, as we won't use the sound when we edit the final routine together. Try to keep as close to the original time as you can.
4. You can film as many clips as you like, but please film separate clips as this will make editing easier.
5. Ask an adult to send your clip or clips to Mr Horner head.3082@chesterton.oxon.sch.uk by **Friday 15th May**. Any clips sent in will score house points for your team. The more clips you record, the more house points!

To find the original routine and tutorial visits, they are on the email that Mr Horner sent out.

Keeeeeeeeeeep dancing!
