

OAK WEEKLY

Week 5—Monday 4th May to Friday 8th May

Miss Crockett's update:

I'm not sure about you, but this week has seemed really busy! Busy in a good way! I have received email after email of fantastic work. What has impressed me most is the incredible, descriptive lines that you have been creating for our class war poem. I'm going to keep them secret for now so I can have a play around with them, but I am certain that you will be blown away by what you have all written. Thank you! If you'd like to try and get yourself in next week's newsletter, remember to get in contact with me at:

Speed Tables Success!

I have incredibly exciting news! After tracking Ed's journey over the last few weeks, I can confirm that he has now completed Platinum level and has earned 8 points for Penrose. Great perseverance, Ed! Josh has also shown great determination, achieving 127/144 on Graphene level and Becca has nearly completed Platinum!

Reading Raffle Update!

Make sure that you are continuing to read regularly at home. You could read by yourself, read to your sibling or read to a friend on Zoom!

Certificate Winners!

Our winners for this week are: Ed, Caitlin R and Isla. Congratulations! Watch Mr Horner's video on the school website to find out why!

On the menu tonight...

are Josh's (and Jess'!) homemade meatballs. Whilst cooking this mouth-watering meal, Josh went one step further and even laid the table! Very fancy, Josh!

Community Spirit!

This week, Benji and his brother took part in the 2.6 challenge to raise money for the Yellow Submarine Charity, an Oxfordshire charity which supports people with learning disabilities. Here, you can see Benji and Tom doing a yard sale. They raised an impressive £69. Well done boys!

Benji isn't the only one who has been fundraising this week: Luke has too! Every Monday to Friday in the month of May, Luke will be skipping 1,000 jumps. This means that by the end of May he will have jumped 20,000 times! He has already met his target of £100 and has currently raised £275. Luke is supporting NHS Charities Together. Well done,

Luke! Keep us updated!

Oak Class War Poem!

Next week, I will start to put together our War poem. Please send me any videos and lines as soon as possible to be included in the poem.

Times Tables Rock Stars!

I have set up a battle on Times Tables Rock Stars between Apple and Oak. Every game you play, you will earn points for Oak Class' tally. Let's show Apple the rock legends that we are! Find out the results in next week's newsletter.

Zoom-calling!

How fantastic was our Zoom call this Tuesday? I loved seeing you all and am already looking forward to next week's chat. Remember, it's a bit different this week with house chats instead so make sure you get the right time. You also need to get your Bingo cards ready!

Keep dancing!

Have you taken part in Mr Horner's dance challenge yet? Well done to Charlotte for this first entry in the whole school. If not, don't panic: you still have one week to get your entries in! I can't wait to see them!

It's SATS week next week!

Well kind of! This very strange time has meant that next week is nothing like what it would have been. Year 6s, make sure you read the email I send you with an invitation to a special 'end of SATS' Zoom meeting to celebrate all of your hard work this year.

Year 6 Update!

Hoody orders can still be made. Deadline: 23rd May.

How can I earn house points?

I have noticed recently that Penrose have been earning a huge amount of points (Jack Happell...) and as you all know Squire should really be the ones getting their hands on the house cup at the end of the year. I therefore thought it might be helpful to let you know how you can earn house points at home.

You could:

Earn a Well Done certificate

Earn a Values Certificate

Earn a Speed Tables certificate

Complete your Learning Powers Wheel

Complete a book review on Chesterton's website

Send in a dance routine video!

Get your parents to join in with one of your tasks!

Go team Squire!
