10<sup>th</sup> October 2023

Dear Parents and Carers,

As part of our Climate Action Day focus this year raising funds and awareness of the 'Just One Tree' charity, the Eco Council will be hosting an Autumn Leaf Scavenger Hunt competition. The competition will consist of children creating a collage of autumnal leaves. The Eco Council will then judge the entries received. Whoever creates the most impressive collages, including the widest variety of leaves, will be awarded a certificate, a prize and house points. Please use a sheet of A4 paper to create your collage. The closing date for submissions will be **Tuesday 31<sup>st</sup> October 2023** and the winners

will be announced the following week. There will be one winner from Maple Class, one from Beech or Ash Class, one from Chestnut or Hawthorn Class, and one from Rowan or Oak Class. We would love to keep all collages we receive to create a display with them in school.

In addition, we are also asking for children to take a photograph with their favourite tree in its finest autumn colours. We would also like children to write a brief explanation to accompany why that specific tree is their favourite. House points available for all entries. Again, please could all photographs be submitted to [office.3082@chesterton.oxon.sch.uk](mailto:office.3082@chesterton.oxon.sch.uk) by **Tuesday 31<sup>st</sup> October 2023**?

Both of these activities are optional, however we would strongly encourage as many children to get involved as possible!

We have also included an Autumn Treasure Hunt activity for anyone who wants to take part during Half Term. It has been designed by the Woodland Trust to encourage young children to get out and about in nature. Please feel free to use with your child/ren.

We look forward to seeing pupils' submissions after half-term and thank you for your continued support.

Best wishes, Mrs Caulfield and the Eco Council
