15th December 2023

Dear Parents and Carers,

In the New Year, we have been asked if we would like to participate in a gymnastics event organised by Wade Gymnastics Club in Banbury.

It would be a fantastic opportunity for us to be involved in, so I am looking to hear from any Year 1-Year 6 students who currently are, or have been, a member of a gymnastics club outside of school who would like to participate.

The event is a core skills competition aimed at students who are confident and competent in performance of a gymnastics routine in a club environment, and are looking to develop their skills while representing the school.

There are 4 levels (increasing in difficulty) of which the children choose a skill from a given list.

They then will perform their skills and will be given a score based on the difficulty and execution of the skill.

If you think your child will be interested in representing Chesterton Primary School at this event, please email the office (office.3082@chesterton.oxon.sch.uk), marking it for my attention and providing a little detail about what gymnastics your child already does outside of school. I can then arrange some time with them to go through the skills and put a team together.

We are limited on numbers, so please let me know as soon as you can. If your child does not get the chance this time around, I am sure there will be other opportunities in the future.

Yours sincerely,

Mrs V. Tuffrey
