## Ash Class School visit – Crocodiles of the World

Dear Ash Class Parents and Carers,

On Monday 11th May, as part of our Science topic '*Living Things and Their Habitats*', we are planning to take the class on an educational visit to **Crocodiles of the World**.

This visit has been carefully planned to support and enrich the children's learning in school. During the visit, the children will explore a variety of animals (there aren't just crocodiles there!) and their habitats. They will learn how living things are suited to their environments and how they depend on one another for survival. As part of their learning, the children will find out about food chains and different sources of food. They will also have the opportunity to watch feeding demonstrations and ask questions to the keepers. This hands-on experience will help bring their classroom learning to life and deepen their understanding of how living things survive and interact in the natural world.

Pupils should bring a packed lunch, drink and snack. In an effort to be more eco-friendly, and reduce the amount of plastic bags/food wrap that often come with school trip lunches, please send your child's lunch in a normal lunchbox/bag, with their name on. They will bring these boxes/bags back from the trip, for you to recycle or dispose of any waste at home.

**The total cost for our exciting visit is £17.90.** Please give consent and make payment online via SCOPAY in the usual way, by **Friday 27<sup>th</sup> March**.

Costs will be recovered by the school for those in receipt of Pupil Premium funding. If you think that your child is eligible, please check with the school office. Should insufficient voluntary contributions be made, the trip will have to be cancelled.

Kind regards,

Mrs Evans and Ms Gould
