Beech Class – Animal Workshop

Dear Parents and Carers,

On **Tuesday 17th March**, as part of our 'Animal Kingdom' topic, we have an exciting opportunity to involve ourselves in an animal workshop. The workshop will take place within school, where we will be lucky enough to have a visit from some exciting, scaly and spiky friends! This will be a great opportunity to meet and hold some of their beautiful and interesting animals. We will be covering various topics including; diet/food chain, camouflage, life cycles and habitats, which all link brilliantly to our topic and will allow the children to get a real life experience relating to what they are learning in the classroom.

The total cost for our amazing animal adventure is £5.50. Please give consent and make payment online in the usual way, by Wednesday 25th February.

Costs will be recovered by the school for those in receipt of Pupil Premium funding. If you think that your child is eligible, please check with the school office. Should insufficient voluntary contributions be made, the trip will have to be cancelled.

Kind regards,

Miss Chadwick and Mrs Leonard
