

Rowan Class Prayer

2025-26

Dear God,

Thank you for our caring and supportive families, friends and teachers, who fill our lives with joy and hope. We are forever grateful for the freedoms that we have. We appreciate the wonderful toys, which bring us excitement, and our pets, who shower us with comfort. We are also extremely thankful for the education that we receive.

God, please help those in need, whether that be because of poverty, illness or conflict. Support them to live in a place of safety, where they have what they need to live, love and to flourish.

Thank you God for the amazing world around us, that is full of wonder and mystery. We are forever grateful for the beautiful plants and majestic creatures that fill it. Thank you for the fresh air that we breathe and the clean water that we drink.

God, we ask you to help us make good choices, not only for ourselves, but for the people around us and the planet we

live on. Give us the courage and
determination to make the world a cleaner
and healthier place, where everyone can
enjoy your wonders for years to come.

Amen
