

## Oak Class Prayer 2023-24

Dear Lord,

We would like to thank you for everything that you do for us. You have provided us with a such a safe place to learn, which is filled with teachers who care for us.

Please fill our classrooms with peace, our lessons with fun, our friendships with kindness and help us to show hope when times are tough. Bless us with positivity and compassion, so that we may be thoughtful towards others and inspire them to be kind as well. Continue to teach us the value of respect so that we can teach others too.

Give us the courage to act and speak with integrity and the resilience to persevere when we are in doubt.

We thank you for all you that have given us.

Amen
