Title: INTO THE FOREST

Author: Anthony Browne

Illustrator: Anthony Browne

My rating (colour in how many stars you would give it): ★★★★★

Describe the characters: The boy - generous, curious and nice

The Setting: In the forest

The Atmosphere and Mood: scary - happy at the end

My favourite part: When he saw Grandma in the bed

What happened in the story? His mother asked him to take a basket to Grandma. He saw lots of things on the way. When he got there he saw Grandma and Dad.

mother - mother asked basket - basket

Maya has completed a great book review of our story of the week 'Into the Forest'.
